Technical support

For technical support, product service and repair, please contact your own brand.

Product warranty:

Its own brand to ensure that their products and spare parts in the shipment without any material and process defects, and comply with their own brands announced applicable to the purchase of product specifications. The following proprietary brand products are not within the warranty:

(I) improper installation or improper use of its own brand products; (II) by accident or negligence causing damage to its own brands of products, including failing to comply with the appropriate schedule for proper maintenance, maintenance and cleaning; or (III) (A) by the buyer or other parties without damage caused by self modification or change. (B) interface is connected with the input or output voltage or current caused by excessive damage (C) or electrostatic electrostatic discharge (D) damage caused by the damage caused by the operation beyond the prescribed state operating parameters, (E) its own brands by non professional maintenance personnel or their authorized representatives or repair services for product damage.

This warranty from the time of shipment, will be in accordance with the purchase of products when the time of their own brand publishing (hereinafter referred to as "warranty period"). Warranty period, defective products must be returned to their own brand manufacturers or authorized service center for testing (the buyer to pay postage). Returned products must be accompanied by their own brand return factory materials authorization, please contact their own brand to obtain this authorization.

If the product is returned to its own brands or its authorized service center in the warranty period, and its own brands fully recognized due to the material or product defects caused by defective products, in addition to its own brands of freight, its own brands can choose free repair or replacement of products.

In addition to the provisions of the applicable law separately, the warranty will replace all other express, implied, oral or written agreement or guarantee, including but not limited to any merchantability or fitness for a particular purpose or non - infringement implied warranty.

The responsibility of its own brands and buyers in the exclusive warranty remedies is limited to the use of new parts or refurbished parts repair or replacement of defective products. Its own brands in any case shall not be liable for any indirect, incidental, or consequential damage to the legal liability, and in any case, due to the sale of the following products (whether due to contract claims, warranty, tort or otherwise any compensation) caused by compensation shall not exceed the actual expenses paid to its own brands this product. Even if the owner or defendant is informed of the possibility of damage, loss or damage, such limitation of liability shall remain fully legal. Certain states, provinces or countries / regions are not allowed to rule out or limit the liability for consequential or consequential damages, so the exclusion or limitation of such liability is not within your scope of application.

All provisions of this limited warranty in both independent and integral terms, this means: if any provision is invalid or unenforceable, such a decision should not affect the validity of other provisions of the executable. Use of any peripherals supplied by the manufacturer may cause damage beyond warranty limits. Including, but not limited to: cable, power supply, support and base. Its own brand only provides warranty for the initial end users of the product. Warranty may not be transferred. Equipment license period of 90 days.
